RURAL TREASURES

Rural Treasures, an SHG product Coffee Table Book, promoted under our home grown ‘**Womenfolk’ Brand** is a tribute and testament to the vibrant & enduring spirit of the 1.8 lakh women Self Help Group members from rural communities and the exquisite craftsmanship that thrives within them. The Coffee Table book aims to celebrate the unique beauty, skill and cultural significance of these products lovingly created from natural resources, highlighting the inspiring narratives of the women who create them. Through this heart of rural life, the **Nagaland State Rural Livelihoods Mission**, the implementing agency of **Deendayal Antyodaya Yojana-National Rural Livelihoods Mission** in the State of Nagaland aims to promote rural economies, preserving heritage, and inspiring appreciation for the artistry and resourcefulness found in rural areas.
